

Call for Participation

We invite you to join us in **11th International Conference of Information Technology, Control and Automation (ITCA 2023)**

11th

This conference will provide an excellent international forum which contributes new results in all areas of Information Technology (IT), Control Systems and Automation Engineering. The conference focuses on all technical and practical aspects of IT, Control Systems and Automation with applications in real-world engineering and scientific problems. The goal of this conference is to bring together researchers and practitioners from academia and industry to focus on information technology, control engineering, automation, modeling concepts and establishing new collaborations in these areas.

Highlights of ITCA 2023 include:

- 11th International Conference of Advanced Computer Science & Information Technology (ACSIT 2023)
- 11th International Conference on Foundations of Computer Science & Technology (FCST 2023)
- 11th International Conference on Information Technology in Education (ICITE 2023)
- 11th International Conference on Signal Image Processing and Multimedia (SIPM 2023)
- 11th International Conference on Software Engineering & Trends (SE 2023)
- 15th International Conference on Computer Networks & Communications (CoNeCo 2023)
- 11th International Conference of Managing Information Technology (CMIT 2023)
- 4th International Conference on Soft Computing, Artificial Intelligence and Machine Learning (SAIM 2023)
- 4th International Conference on Semantic & Natural Language Processing (SNLP 2023)
